

## MAP 2: Trails and Features

### KEY

Blackwell Trail System: This trail system is managed by The Barnhartvale Horse and Hiker Trail Preservation Society under a stewardship agreement with the British Columbia Department of Lands.

Dallas/Barnhartvale Nature Park Trails

Wet Areas in the Park. Note that "David's Spring" straddles the boundary between the Park and the adjacent lease lands.

(FENCE)

Fence line between the Park and adjacent lease lands.

(GATE)

Gates between Park and leased lands. These gates are currently maintained by the Barnhartvale Horse and Hiker Trail Preservation Society.
